# AR Security 12/13
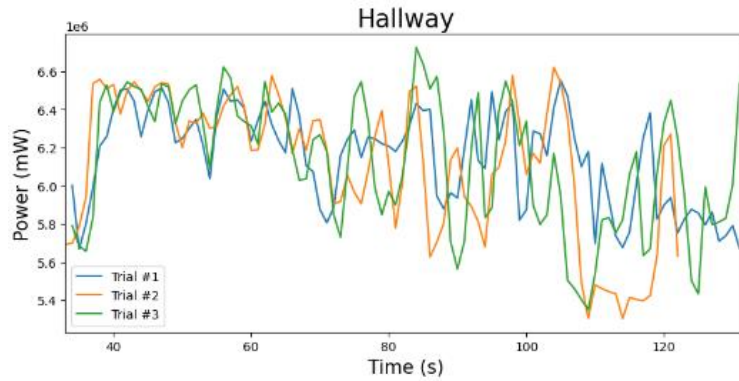

Allie Craddock & Casie Peng

Data analysis – Time series
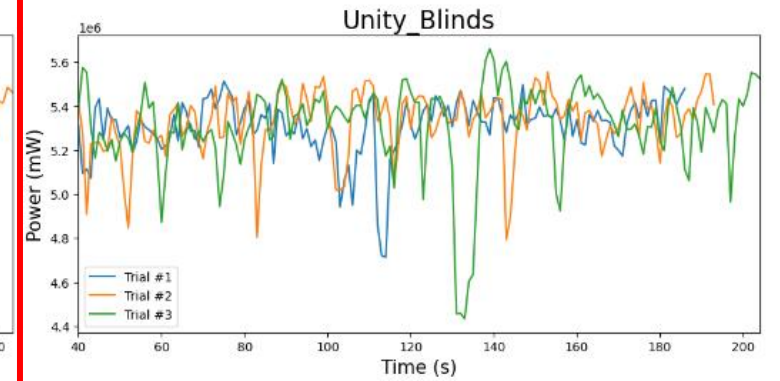

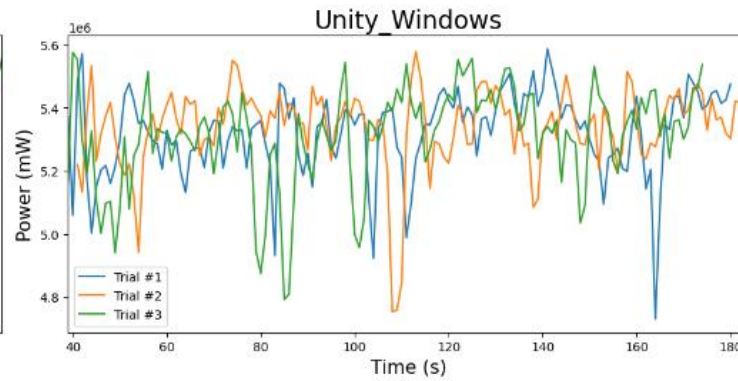

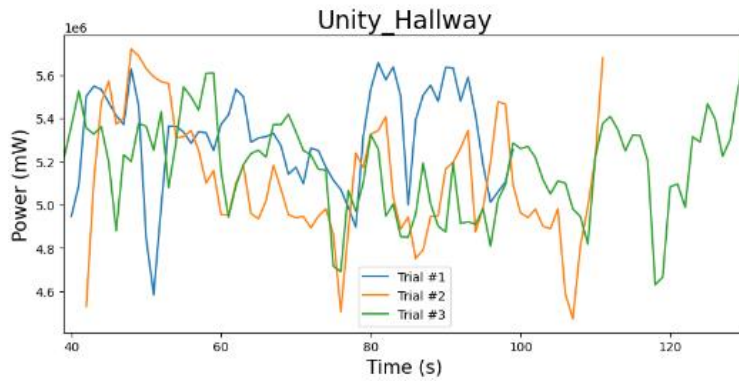

Data analysis – Boxplot
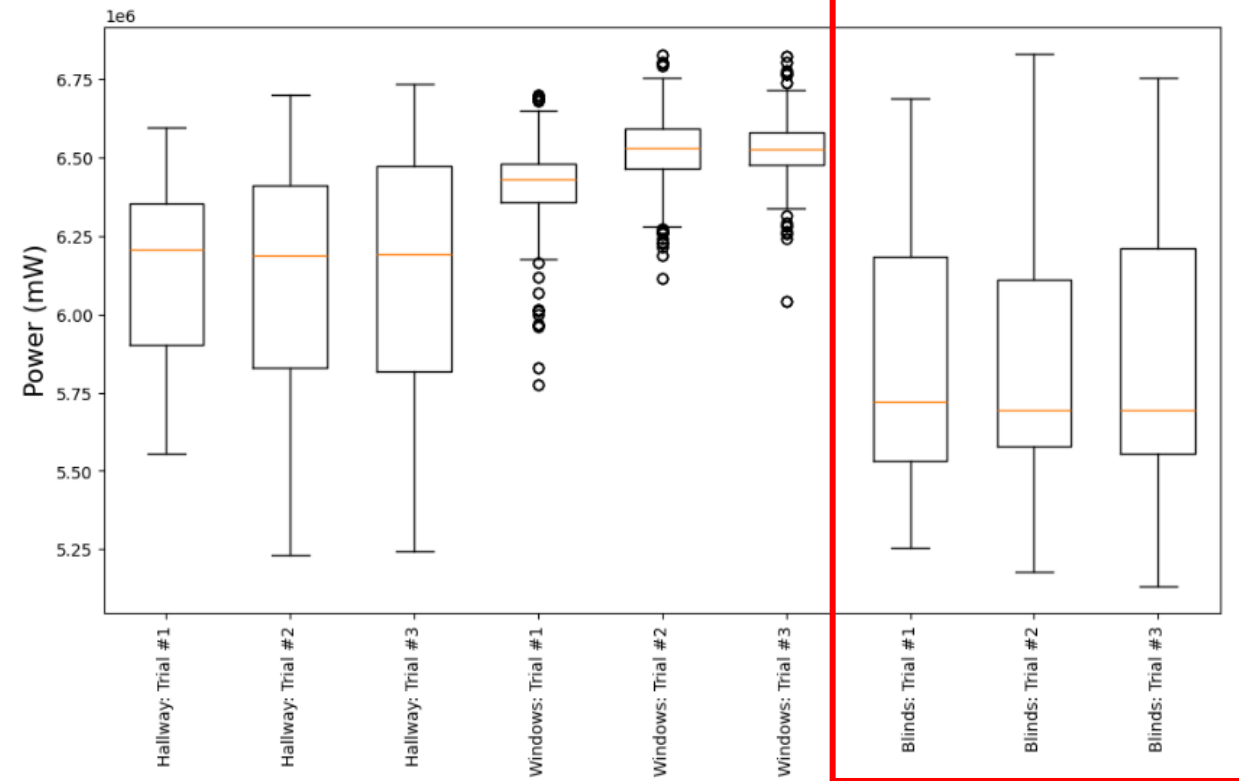

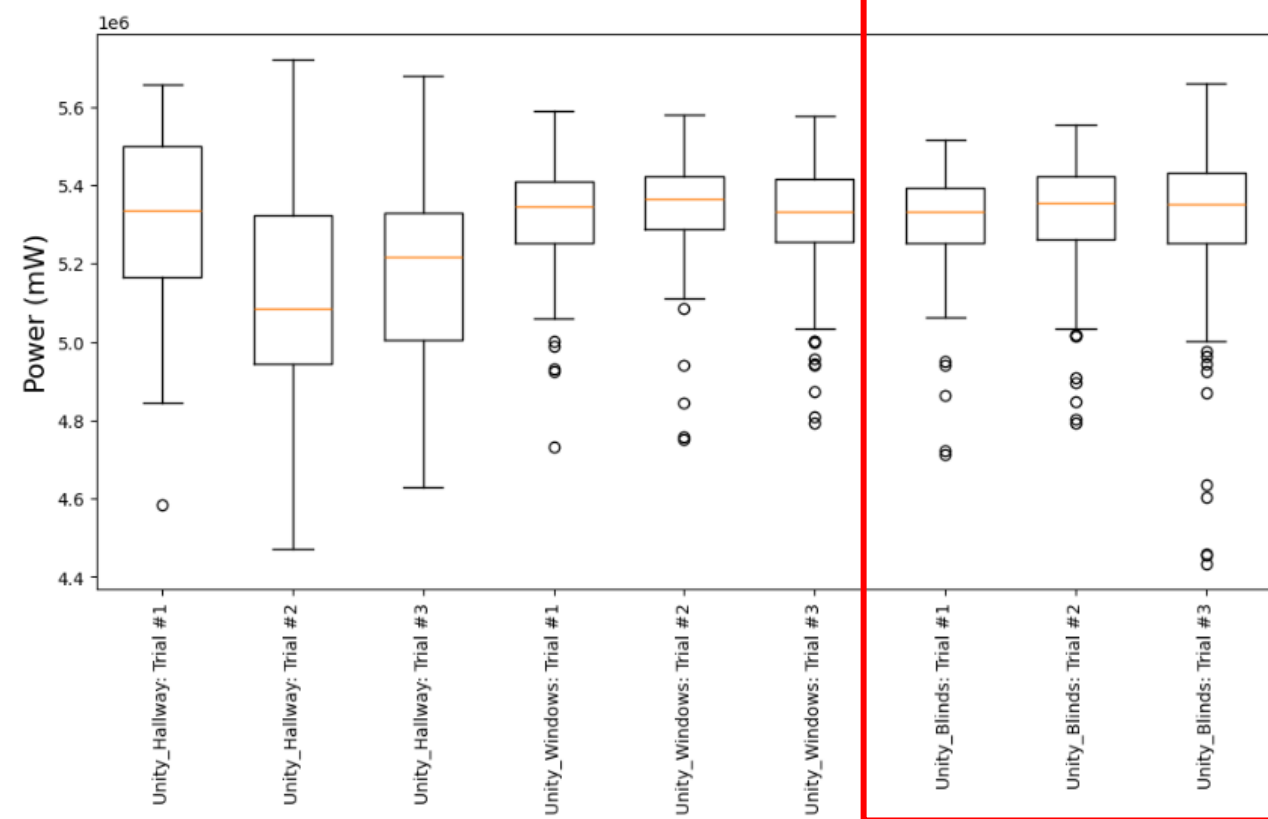

Final Updates

- Progress Report BURGS was a success
- Last repository tweaks/fixes
- Library meeting next week to import Unity Project
- Meeting our new teammate for next semester
- Reminder: Allie as an advisor for next semester, both returning Fall 2025

- Last questions:
  - Is it okay if I try to implement more data analysis code over winter break?
  - What can we do better next semester we're on the project?
  - Do you have any last-minute advice for us?

Thank You!
